

## Central Messaging

ACCA is proud to be working with Central Messaging, a 24-hour/7 day a week answering service with over 20 years of experience. All operators are extremely professional, courteous and well trained. They understand the responsibility that goes along with answering your phones.

You will find Central Messaging to be a solid, reliable company with extensive experience in the answering service industry. Central Messaging is unique in that they specialize in providing our customers with quality professional services at preferred prices. The skills of their management team combined with the skills of their knowledgeable staff have gone unmatched in the answering service industry. Central Messaging is "An Industry Leader".

### How will my business benefit from Central Messaging?

- Your office's image will improve
- Messages are taken accurately and relayed to you promptly
- We will make you look (and sound) good when you're away from the phone
- Callers are left with positive impressions
- Your business is always represented in a professional manner

"We have used a number of answering services over the years and have always found problems, including long wait on hold, rude employees, lost calls and more. With Central Messaging we have experienced none of these! They are friendly, professional, and very accommodating to our specific needs. With Central Messaging, our answering service is one thing I don't have to worry about." **-Gary Jackson, Jackson Comfort Systems, Inc.**
