

**Specialty Contractors  
2008 Legislation Day  
May 13th**

## **PHCC / ACCA Specialty Contractors Hold**

### **1<sup>st</sup> Annual Legislative Day May 13**

We need YOU to help represent this industry of plumbing and HVACR contractors on May 13 as we talk to our legislators about issues of great concern. Before heading to the Statehouse and appointments, we will hold a gathering to prepare you for those meetings -- provide the legislative bills that are on the radar, and talking points for you to use and position statements to leave behind. Help us make this 1<sup>st</sup> Annual Legislation Day the model Legislation Day for future years. You will find it very rewarding to know your action plays a very important role in Ohio government.
